

Case Studies

Bolton's Fund: Winter HAF 2023

Oldham Greenhill Community Sports and Recreation Club (OGCSRC)

OGCSRC were awarded £3,182 to deliver a 4 day HAF programme at Pikes Lane Community Centre, Bolton, BL3 5EL over the school Christmas holidays.

- They offered multi-sports and recreational activities throughout the four days. The activities included football, cricket, dodgeball and handball. Sports Coaches will be delivering these activities. They also provided arts & craft activities alongside board games for children to be engaged and work with the peers and make new friends.
- OGCSRC is a registered charity whose mission is to support the local communities. They plan and organise activities for the local communities of Greater Manchester including sports and recreational activities, children soft play areas, educational, cooking, sewing classes, mental health and wellbeing classes. They create volunteering opportunities within our organisation, providing food parcels for deprived and vulnerable families, youth club and access to adult vocational and non-vocational courses. They also empower children, young people and adults to become active through fitness, reducing isolation and improving mental wellbeing.
- They aimed to have **40 children** participate each day.

Be the Change Youth Project CIC

Be the Change Youth Project CIC were awarded £2,140 for their BTC Holiday Club HAF project. Their activities will run from their centre in Rumworth.

- Be The Change is an award winning youth organisation based in Bolton. They work with young people from disadvantaged backgrounds to provide opportunities for growth and improvement, giving them the foundations to succeed.
- They will use this grant to fund the costs associated with running sporting, arts, music and cooking sessions.
- They aimed to support **25 young people** each day at their activity sessions.
