Sir J & L S T
THE SIR JAMES & LADY SCOTT TRUST

The Festive Fund is for voluntary and community groups in Bolton so they can say thank you to their volunteers and to celebrate with their community members.

The priority for the Festive Fund was micro and small volunteer-led community groups and organisations who work directly with their communities.

With thanks to Bolton at Home and the Sir James and Lady Scott Trust for supporting the Bolton's Fund Festive Fund 2023.

The fund opened for applications on Wednesday 8th November and closed on Sunday 26th November.

Applications were via a short online application form.

83 applications were received totalling £39,824.00.

The grant assessment panel awarded funding to 80 of the projects. Grants totalled £7,699.93.

Grants up to £100 were available

Funding could be used to organise a celebration event with their members, volunteers or local community to help them stay connected with each other and to say thank you.

Examples of the activities a grant from the Festive Fund could fund include organising a quiz, a children's party, a local trail joining streets together with themed window dressings or a meal with music or dance.
